

Twenty-Fifth Annual Excellence in Exhibition Competition

About the Competition

The Twenty-Fifth Annual Excellence in Exhibition Competition recognizes outstanding achievement in the exhibition format from all types of museums, zoos, aquariums, botanical gardens, and any other types of non-commercial institutions offering exhibitions to the public. The competition is the joint project of the following American Alliance of Museums Professional Networks (PNs): the Curators Committee (CURCOM), the National Association for Museum Exhibition (NAME), the Committee on Audience Research and Evaluation (CARE), and the Education Committee (EdCom). Each PN is represented by one competition judge who evaluates the submitted application materials against the Alliance's *Standards for Museum Exhibitions*.

Eligibility

Any non-commercial institution offering exhibitions to the public may participate. Exhibitions may have been designed by a

commercial firm for a non-commercial institution. Each institution that enters must have a team member that is a member of the Alliance. The exhibition must have opened to the public between November 30, 2010 and November 30, 2012. To be eligible, exhibitions may not have previously won this competition. Exhibitions may only be submitted once to the competition.

Entry Fees

A \$75 fee is required for each exhibition entered. Make checks payable to the American Alliance of Museums / Excellence in Exhibition. For multiple entries, submit one check for the full amount.

Notification and Awards

Each winning exhibition will be featured in a program session at the 2013 the Alliance Annual Meeting in Baltimore, MD and a representative from each winning institution will be asked to do a short presentation.

Winners will also receive national recognition in the Alliance publication *Museum*.

Competition Policies

The PN sponsors are not responsible for lost or damaged entries. All entry materials become the property of the PNs and cannot be returned. Entrants agree to allow the Alliance and PN sponsors to use photographs of winning exhibitions, at no charge, in Alliance publications. Entrants warrant that they have the right to allow such use. Institutions will be credited in any published reference to winning entries. All materials (including the exhibition budget) will be displayed during the Marketplace of Ideas at the 2013 Annual Meeting in Baltimore, MD.

To Enter:

Submit one copy of each entry on CD-ROM and one copy in print format. Label the CD with the name of the institution and exhibition. To facilitate judging, please include each component in the order listed below in a single PDF document excluding the exhibition walk-through PowerPoint, which should be a separate file. Please confine your answers to the word limits as indicated.

The documents referenced in the application requirements (Entry Form, *Standards for Museum Exhibitions*, and Exhibition Budget Worksheet) may be found online at <http://name-aam.org>, www.edcom.org, www.curcom.org, www.care-aam.org, or obtained from the competition coordinator (Liz Kollmann, ekollmann@mos.org).
